Kuraray Co., Ltd.

**Price Increase of SEPTON™, HYBRAR™ and TU-Polymer**

The Elastomers Business Unit will raise the transaction prices of following Elastomer products in all regions effective April 15, 2024, or as existing supply agreements allow:  
ALL SEPTON™, HYBRAR™ and TU-Polymer: \$0.33 per kilogram (\$0.15 per pound).

Increasing feedstock prices, utility, and logistics costs have reached a level beyond unilaterally absorbable by self-saving efforts. This time, it is necessary to recover a portion of these increases to ensure ongoing supply and new product innovation.
